Report of Principal and School Improvement Council

Ravenel Elementary School strives to "Reach Every Student" by utilizing best practices in the educational process. Ravenel serves 539 students in grades pre-kindergarten through fifth grade. Ravenel Elementary's goal to "Reach Every Student" in the classroom is our main focus. Teachers use recommended practices such as differentiated instruction, balanced literacy, and formative assessment to engage students in the learning process. Teachers continually use data, such as MAP and PASS scores, to drive their instruction. Academic goal setting is facilitated by our school counselor for students in second through fifth grade. Academic assistance is provided through Early Reading Intervention (ERI), Achieve 3000 targeted academic assistance groups and Reading Recovery.

The school climate continues to improve through the leadership of a Positive Behavior Intervention Support (PBIS) team. A school-wide system of expectations is in place and incentives are regularly provided to students. Support is additionally provided to those students requiring a Behavior Intervention Plan. All Ravenel teachers and administrators were certified in Non-Violent Crisis Prevention at the start of the school year.

Ravenel works hard to be a school where all are welcome and students are provided a safe environment. This year the after-school program run by the YMCA served approximately seventy-five students. Ravenel Family Nights were enjoyed by students and families including Book Fairs, literacy nights, as well as a monthly free movie night. We always encourage students to be physically active. A daily early morning walking program was supervised by our two PE teachers with assistance from teaching and office staff. Students participated in Jump Rope for Heart in aid of the American Heart Association. Students, faculty and community members enjoyed the annual Artists on the Green where local artists and performers gathered at Ravenel to share their talents. Our school counselor organized an annual Career Day for students. The school collected food for local food banks, provided shoes for local homeless shelters, participated in the American Cancer Society's Relay for Life and donated money to March of Dimes.

The PTO and SIC continued as vital parts of our school helping to "Reach Every Student" with additional leadership and funds. PTO awarded several teacher grants to purchase instructional items, as well as honoring them during Teacher Appreciation Week. Continued updating of Accelerated Reader software was provided by our PTO. Numerous activities were organized and sponsored by PTO including a Variety Show, Fall Festival, and continuous assistance with everyday school activities.

We will continue to strive to live-up to our district's motto, "Education is Everybody's Business." We know that community outreach and partnership with our school families will make this possible. We will continue to improve our performance and enhance the lives of students and their families so that we will indeed "Reach Every Student" at Ravenel Elementary School.

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	84.4
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Ravenel Elementary has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
